

ANANDU KRISHNA VP

Python Developer | Django, REST APIs & MVC/MVT Web Development

Kozhikode, Kerala, India | +91 8921303751 | anandukrishna@gmail.com

linkedin.com/in/anandukrishnavp88 | github.com/anandukrishna

PROFESSIONAL SUMMARY

Fresher Python Developer with hands-on internship experience designing, building, and debugging web applications on the MVC/MVT architecture using Python and Django. Proficient in Django ORM, RESTful API concepts, CRUD operations, session-based authentication, form validation, and relational database design with SQL/SQLite. Skilled in building responsive, cross-device front-ends with HTML5, CSS3, Bootstrap, and JavaScript. Experienced in requirement analysis, debugging, unit testing, and Git/GitHub-based version control within agile team environments. Quick learner and strong communicator, adaptable to new technologies and business domains; open to relocation and immediate joining.

CORE SKILLS

Programming Languages: Python, JavaScript, SQL, HTML5, CSS3

Frameworks & Libraries: Django, Django ORM, Django REST Framework (DRF fundamentals), Bootstrap

Architecture & Concepts: MVC/MVT Architecture, RESTful API Design, CRUD Operations, Authentication & Authorization, Form Validation, Session Management, OOP

Databases: SQLite, MySQL/SQL, Relational Database Design, Query Optimization

Web Development: Responsive Web Design, Cross-Browser UI Development, AJAX/JavaScript DOM Handling

Tools & Platforms: Git, GitHub, VS Code, Postman, Linux/CLI basics

Practices: Requirement Analysis, Debugging & Root-Cause Analysis, Unit Testing, Agile/Scrum Collaboration

PROFESSIONAL EXPERIENCE

Python Full Stack Developer Intern — Trycode Innovations, Calicut, Kerala

Jan 2026 – Present

- Developed and maintained multiple Django-based web application modules end-to-end using Python, Django ORM, and SQLite, strictly following the MVC/MVT design pattern for maintainable, scalable code.
- Built responsive, cross-device user interfaces with HTML5, CSS3, and Bootstrap; implemented complete CRUD functionality, session-based authentication, and server-side form validation.
- Diagnosed and resolved bugs in URL routing, ForeignKey relationships, session management, and file-upload functionality, identifying root causes under senior mentor guidance.
- Collaborated with a cross-functional team using Git and GitHub for version control and code reviews; participated in requirement analysis and tested modules prior to deployment.

AI & Machine Learning Intern — Edu Tantr, Remote

Dec 2024 – Jan 2025

- Assisted in AI/ML research and data-processing tasks using Python, supporting exploratory data analysis and technology-focused assignments.
- Gained practical exposure to machine learning workflows, data cleaning, and Python-based automation.

KEY PROJECTS

SkillHub | Django, Python, SQLite, HTML5, CSS3, JavaScript

- Built a multi-role Django platform (MVC/MVT) serving students, companies, and staff with project listings, shortlisting, and feedback workflows, modeling 10+ interlinked entities using Django ORM.
- Designed a unified, CSS-based front-end system with reusable layouts, responsive tables, and form components deployed consistently across 15+ templates.

Sharebite | Django, Python, SQLite, Bootstrap, HTML/CSS

- Engineered a full-stack food donation platform connecting donors and recipients, implementing role-based authentication and complete CRUD operations on Django's MVC architecture.

SignBridge | Django, JavaScript, HTML5, CSS3, Bootstrap

- Built an accessibility-focused communication platform with a responsive, mobile-first UI and dynamic form handling using Django's MVT architecture.

EDUCATION

B.E., Computer Science & Engineering — Excel Engineering College, Namakkal, Tamil Nadu

2022 – 2026

CGPA: 7.67

HSC: 86% — GMHSS C.U. Campus | SSLC: 98% — St. Paul's E.M.H.S School

CERTIFICATIONS

- Python Fundamentals (Infosys Springboard) • Python Certification (Udemy)
- Generative AI Revolution (AWS Aspire) • Introduction to IoT 4.0 (NPTEL)

SOFT SKILLS & LANGUAGES

Soft Skills: Problem Solving, Team Collaboration, Communication, Adaptability, Quick Learning, Time Management

Languages: English, Malayalam, Tamil, Hindi
